

mijn Losser leeft

A wide-angle photograph of a beach at sunset. The sun is low on the horizon, partially obscured by dark, heavy clouds. The sky is filled with dramatic, layered clouds in shades of grey and blue. The sun's light creates a bright, shimmering path of reflection on the wet sand and the surface of the water. In the foreground, the white foam of a wave is washing onto the beach. The overall mood is serene and contemplative.
